

**TOWNSHIP OF ESSA  
PUBLIC NOTICE**

**THORNTON WATER USERS ONLY**

The water in Thornton is regularly tested and recently tests have indicated a slightly higher level of sodium than the maximum acceptable limit of 20mg/L. Those individuals suffering from hypertension or congestive heart disease may want to consult with their Doctor to determine if they should be drinking this water, which contains a slightly higher level of sodium than the maximum acceptable limit.

DATED this 1<sup>st</sup> day of August, 2008.
