

School of Rock Summer Camp

Enrolment: (Ages 12 and up) Minimum 4 students, Maximum 8 students

This camp is for young musicians currently proficient with guitar, keyboard, bass, drums, vocals, etc. that are interested in learning the dynamics of performing in a musical group. Topics covered will include set-up & sound reinforcement, rehearsal tactics, importance of the rhythm section (bass & drum), song structure, intros & endings, solos, and vocal techniques.

Participants will learn to play some "cover" songs of current artists, in addition to writing some original material including both music & lyrics.

In the last week of each 2 week session, the groups will be ready to enter Sunflower Studios facility to record the songs they have prepared. Afterwards, they will receive a professional audio CD of their experience.

For logistics - amplifiers, PA, drums, etc. will be provided, although students should bring their own instruments. Any additional information on this program may be obtained from the facilitator at Angus Borden Music & Entertainment (www.angusbordenmusic.ca).
