Margaret Street

The Township of Essa hereby advises that Margaret Street will be closed to through traffic from Mill Street to Vernon Street to allow for the:

**Urbanization of Margaret Street with new curb and gutter, concrete sidewalk, storm sewer, two 4.25m travel lanes, and curb bump-out traffic calming measures.**

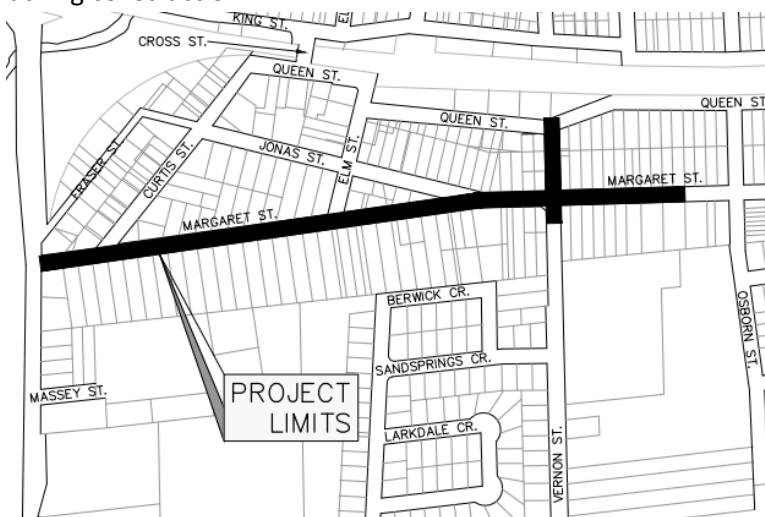

The closure will begin: **May 19, 2021.**

The road is expected to reopen: **September 17, 2021.**

Sporadic full road closures will be occurring throughout this project. Although every effort will be made to limit the amount of disturbance to the residents, some inconveniences such as impeded traffic flows and access to driveways are to be expected. We request that when driving or walking through and around the construction area, that you proceed with caution and obey the construction traffic signage and personnel.

During construction, residents within the construction zone may have their garbage and recycling collected from the end of their driveways and moved by the contractor for collection. All bins will be returned at the end of the day. On collection day (Wednesdays), please have garbage and recycling out to the end of the driveway by 7:00am.
