

NOTICE TO MUNICIPAL WATER USERS IN ESSA

SWABBING WATERMAINS 2021

Municipal water users are advised that the flushing or swabbing of drinking watermains will take place at the following locations and time periods:

Area	Service Description	Service Time Period
Baxter	Watermain Swabbing	12 OCT (1 days)
Thornton	Watermain Swabbing	12 and 13 OCT (1 - 2 days)
Angus	Watermain Swabbing	9 and 10 OCT (2 days)

Please be aware that during watermain flushing and swabbing, residents may experience low water pressure and severe discoloration (brown / red) water, or perhaps even no water for short periods of time.

To alleviate the discoloured water, please open the taps in your home until the water runs clear. Before doing laundry, it is recommended that the taps are opened, and water is flushed beforehand.

If you have any questions, please contact the Ontario Clean Water Agency at 1-866-775-7712.
