

NOTICE OF ROAD CLOSURE

Intersection of Elizabeth Street and Simcoe Street

The Township of Essa hereby advises that Elizabeth Street will be closed to through traffic from King Street to Raglan Street and Simcoe Street will be closed to through traffic from Water Street to Raglan Street to allow for the

Replacement of the Elizabeth Street Culvert

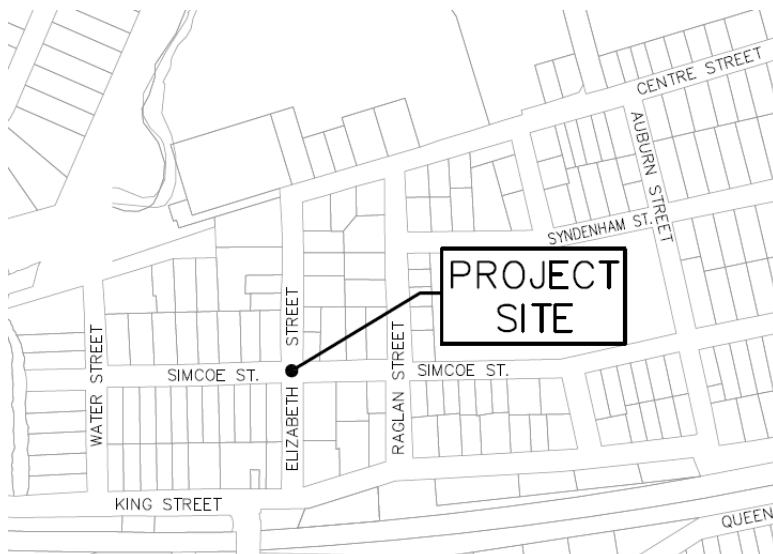

The closure will begin: **Immediately**

The road is expected to reopen: **October 22, 2021**

During the road closure every effort will be made to limit the disturbance to local residents and maintain access to all driveways within the road closure limits. However, during the culvert and road construction access to the driveways closest to the intersection may be periodically interrupted. We request that extra precaution be taken and that you observe all detour and advisory signage during the road closure. Also, when walking through and around the road closure zone please proceed with caution and obey the construction traffic signage and personnel.

During the road closure, residents within the road closure zone may have their garbage and recycling collected from the end of their driveways and moved by the contractor for collection. All bins will be returned at the end of the day. On collection day (Wednesdays), please have garbage and recycling out to the end of the driveway by 7:00am.

If you have any special needs, regular in-home care or deliveries, please advise Brian Wickenheiser from the Ainley Group so that we can coordinate and schedule works to limit any disruptions to your services.

We thank you in advance for your cooperation throughout the road closure and construction. Should you have any questions or concerns related to this project, please do not hesitate to contact either of the following representatives:
