CONSULTING OPPORTUNITIES AT THE TOWNSHIP OF ESSA

The Township of Essa requires consultants to prepare certain reports and studies to support development applications. More specifically, we are in need of a qualified consultant to prepare the following:

- Natural Hazard Study to refine limits of hazard
- Scoped Environmental Impact Study to ID sensitive ecological features, species at risk and riparian features within 30 m of the shoreline
- Hydrogeological Assessment.

Quotes are being collected for specific projects, which will be assigned to the chosen consultant at the discretion of the CAO. It is the intention of the municipality to retain consultants only for the duration of the assigned work.

Please ensure to provide a breakdown of fees/charges relating to your hourly rate(s), plans review, and external meetings or site visits.

Please forward your quote/proposal to:
