

Want to learn more about the history of Angus?

NEW BOOK!

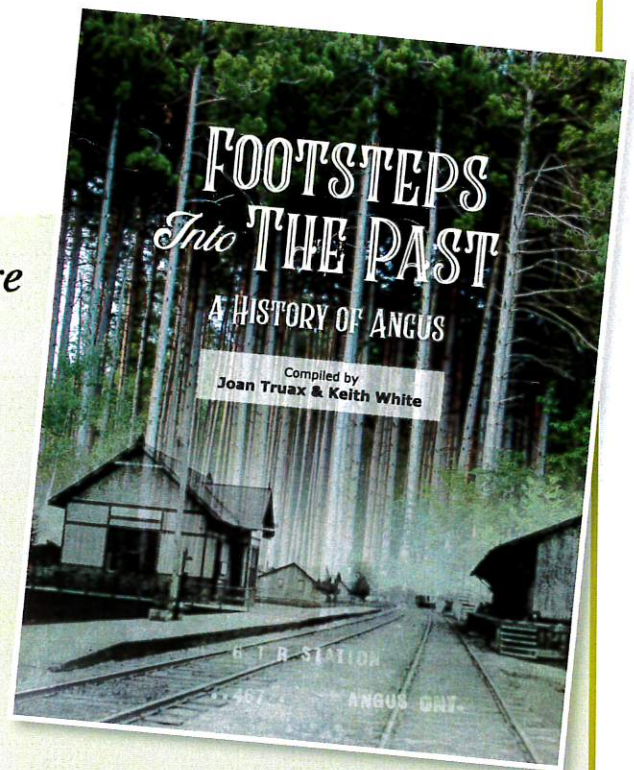

by Joan Truax & Keith White

NEWLY RELEASED, December 2019

“For quite some time we had known there was significant interest in a History of Angus book. Our goal was to gather together all the previously published information along with the fruits of further research. Once we embarked on this journey a little over 2 years ago, it was realized that it may be never ending as we uncovered more about this unique community in central Simcoe County.”

“This book is dedicated to all the pioneers and former residents of Angus. We want to thank all of the people who gave us their family histories and other information about Angus.”
