

JOB FINDING CLUB FOR IMMIGRANTS

New country. New opportunities.

Navigating your way to employment in a new country can be a challenge. We can help connect you with the people, support and information needed to move into the Canadian workplace.

Let's work together to make your roadmap to employment a success!

TOOLS FOR EMPLOYMENT

- understand how Canadian employers hire, and the skills they value
- develop an attractive set of job search tools
- search and apply for jobs in a supportive environment
- practise your interview skills

DEVELOP YOUR NETWORK

- learn the benefits of building and expanding your network
- connect with a mentor in your professional field
- access the hidden job market and uncover hiring opportunities
- discover the advantages of joining a support group

BUILD YOUR FUTURE

- increase your understanding of the Canadian job market and hiring trends
- identify the steps to reach your employment goals
- receive support from an employment coach
