NOTICE TO MUNICIPAL WATER USERS IN ANGUS, BAXTER and THORNTON

FLUSHING and SWABBING WATERMAINS SPRING 2018

Municipal water users are advised that the flushing or swabbing of drinking watermains will take place at the following locations and time periods:

Area	Service Description	Service Time Period
Angus	Flushing	March 27 to March 29 (2 days)
Angus	Swabbing	April 3 to April 5 (3 days)
Thornton	Flushing	April 4
Thornton	Swabbing	April 6
Baxter	Flushing	April 10

Please be aware that during watermain flushing and swabbing, residents may experience low water pressure and discoloration (brown) water, or perhaps even no water for short periods of time.

To alleviate the discoloured water, please open the taps in your home until the water runs clear. Before doing laundry, it is recommended that the taps are opened and water is flushed beforehand.

If you have any questions, please contact the Ontario Clean Water Agency at 1-866-775-7712.

Dan Perreault
Manager of Public Works
