Hello everyone,

I hope you are all healthy and safe. Essa`s Council is encouraging everyone to be a good neighbour. Check in with our vulnerable residents (our seniors and those in isolation) to make sure they are okay.

Essa Council and staff will be reaching out to our neighbours. You can give them a phone call or text, if you are in need of anything. Please exercise social distancing, it is so important as we navigate through this evolving situation.

Essa Council and staff are working diligently to follow every proactive health and safety protocol set out by all levels of Government and Public Health officials regarding the Coronavirus.

You can get up to the minute information on our Township of Essa website at www.essatownship.on.ca. Essa Council and Staff`s number one priority is to help keep you informed, healthy and safe. Take care and adhere to recommendations from Public Health Agencies and all levels of Government to help keep you and your loved ones safe.

Together we will get through this ever evolving crisis stronger than ever. Please remember your local food banks as their shelves will need replenishing.

Yours truly,

Sandie Macdonald
