NOTICE TO RESIDENTS/LANDOWNERS Cutting Down High Shoulders & Reshaping Blvds.

This is to advise you that the Township of Essa will commence road works on Cecil St. from Mill St. to Mansonic Way in Angus. We are cutting down the high shoulders and reshaping the boulevards which is scheduled to begin late July and may take 1 to 2 weeks.

It is expected that there may be delays to vehicular traffic, partial lane closures and limited access to your property while the road work is being done.

While every precaution is taken to ensure the safety of all persons during the ditching works, we would remind you that there will be heavy equipment in use. We would stress that extra caution be exercised around the heavy equipment, particularly with children and pets.

Garbage collection and mail delivery will not be interrupted.

With your assistance we will strive to make this time as inconvenient as possible. If you have concerns or need more information or just wish to discuss this project, please contact the Public Works Department at 705-424-9770 ext. 135 and someone will be in touch with you. Thank you in advance for your cooperation.

Yours truly,
