MEMORANDUM TO:

ALL MEMBERS

Re: Recent Protest Activity

The unjustified and criminal acts that led to the death of Mr. George Floyd have caused the public to question its trust and confidence in our profession. There are members within the Ontario Provincial Police (OPP) and the communities we provide policing services to who are hurting, and feeling frustrated and outraged. It is important for us as an organization to have the courage to openly discuss these types of incidents in a respectful, compassionate and professional manner. It has become clear that in order to maintain the trust and confidence of our communities, and in support of our members, we must not only speak out against racist behaviour, but listen to what Ontarians are telling us and ensure that our actions align with our words by exemplifying our values of interacting with respect, compassion and fairness – something I believe our members do every day.

Over the course of the last few days, we have witnessed anti-racism demonstrations expanding from urban centres to jurisdictions policed by the OPP, and we are reminded of our responsibility and duty to respect the right of everyone to freedom of expression and peaceful assembly. Our role is to ensure public safety and to keep the peace. In many of these instances, the OPP Provincial Liaison Team will work with groups to provide a safe and peaceful opportunity for demonstrators to exercise their constitutional rights.

This is a unique time in which the rights of freedom of expression and movement must be considered against the current public health recommendations of physical distancing and the emergency orders in the province. Our primary duty is to preserve the peace, maintain public safety and investigate unlawful activity. Members should use their discretion and judgement to consider all circumstances and balance it against the rights of the public to peacefully demonstrate.

Recent Protest Activity

Page two

In closing, I wish to reiterate again that racism and racial discrimination have no place in policing. The event that occurred in Minneapolis with George Floyd was unconscionable and unacceptable. There should never be any doubt that the OPP stands only for our values and equal respect for all. This is an opportunity to be mindful of our biases and work towards a truly inclusive, authentic workplace and community with equal freedoms and treatment for all.

Dear Mayor / Worship,

Re: Change in security check and revenue distribution processes

The Ontario Provincial Police (OPP) is doing our part to help reduce the risk of spreading COVID-19 by restricting access to detachments across the province. We have already taken the step of limiting the processing of routine security checks (criminal record checks/vulnerable sector checks) by detachment staff. We are committed to processing security checks deemed to be necessary, or for emergency circumstances, and mitigating any potential COVID-19 related health risks, as much as possible.

Effective immediately the OPP has adopted a new procedure for processing emergent security checks that reduces the risk to applicants and improves on the efficiency of the process by:

- Moving the security check application form to an online submission, reducing applicants' detachment visits to one visit in most circumstances; a visit to pick up the completed security check.
- Centralizing the vetting of applications for emergent needs and oversight of the process.
- Providing applicants access to a paperless payment method to a provincial Point of Sale terminal over the phone, further reducing the risk of potential exposure to a COVID-19 transmission vector.

Under the new process, applicants will make their payment over the telephone to detachments that currently have provincial Point of Sale (POS) machines. The funds will be deposited directly to the Consolidated Revenue Fund (CRF) of the provincial government in accordance with the Financial Administration Act, RSO 1990. Security check revenue is tracked to ensure these funds are allocated to the municipality where applicants reside. Municipal owned POS terminals that transfer money directly to municipal banking accounts will no longer be used at OPP detachments.

Revenue will be credited back to municipal policing accounts quarterly throughout the year. The credit will be provided to municipalities approximately two months after the end of the quarter (May, August, November, and February). The credit process for 2020 is impacted by the in-year implementation of the new process and details on the timing of the credit will be provided to municipalities in future correspondence.

All revenue collected by OPP detachments for security checks, finger prints and reports provided to the public for a fee will follow this process to ensure compliance with the FAA.

Should you have any further questions regarding this process please email OPP.MPB.Financial.Services.Unit@opp.ca. Members of the public can find the most up-to-date information on obtaining a record check by visiting www.OPP.ca.

NOTTAWASAGA POLICE SERVICES BOARD

~~5.20~~)

REPORT #PSB-2020-02
CHANGE IN SECURITY CHECK AND REVENUE DISTRIBUTION PROCESSES

RECOMMENDATION

That Report #PSB-2020-02 be received;

And that the Nottawasaga Police Services Board petition the respective Councils of the Township of Adjala-Tosorontio, Township of Essa and Town of New Tecumseth to challenge the changes in security check and revenue distribution processes as outlined in the letter dated June 8, 2020 from the Municipal Policing Bureau of the Ontario Provincial Police as the changes will have a significant negative impact on the municipalities;

And that the Municipal Policing Bureau of the Ontario Provincial Police be respectfully requested to maintain status quo for the Nottawasaga detachment of the OPP to allow the flow of revenue to be paid directly to the municipality for security check applications processed by the detachment.

OBJECTIVE

The purpose of this report is to request that the Board petition the municipal partners to challenge the proposed changes to the security check and revenue distribution processes established by the Province by their letter dated June 8, 2020.

BACKGROUND

The Nottawasaga OPP detachment collects an application fee for security checks and pays the fee to the municipality. Prior to 2008, the three municipal partners shared the revenue and expenditures for the year proportionate to the shared cost of policing. In most years the revenue exceeded the total expenditures for the year and the excess revenue over expenditures was shared as follows: New Tecumseth 53%, Essa 31% and Adjala-Tosorontio 16%. If expenditures exceeded revenue, the cost was also shared by the same percentages.

On October 23, 2007 the Board passed Resolution #2007-67 to transfer the unexpended balance of the Police Services Board 2007 budget to a reserve. The resolution was sent to the municipal partners for their approval.

On November 29, 2007 the Board revisited the matter and passed Resolution #2007-71 (Attachment #1) to repeal the prior resolution and to ask the municipal partners to approve establishing a Police Services Board reserve where excess revenue over expenditures would be transferred at the end of each year. Similarly, excess expenditures over revenue would be paid through the reserve. The municipalities approved the request in 2008 and the reserve was established.

Revenue has exceeded expenditures every year and the reserve has been used to purchase equipment for the detachment to enhance the workplace as well as providing equipment that has resulted in increased visibility as officers were able to patrol without having to return to the detachment for certain duties. A few examples are listed below.

Nottawasaga OPP was equipped with Mobile Work Stations funded by the Board when the Province was just beginning to release a small number of the units to selected detachments. Officers were provided cell phones that enabled them to return calls without the need for a landline.

The Bicycle Patrol Unit was equipped by the Board. This has proven to be a valuable addition to the detachment to improve visibility in our urban communities. The Board continues to support this initiative annually with updated equipment and maintenance of the bicycles.

The exercise equipment at the detachment was upgraded and is well used by officers. Furniture in the interview room was worn and in need of replacement. The Board purchased new furniture. The most recent enhancement is the new community trailer. This piece of equipment will be displayed with pride at community events and is equipped to be used as a command post when needed.

The Board was successful, with the support of the Town of New Tecumseth, in establishing a Point of Sale (POS) debit machine at the detachment to provide the public another option to pay for security checks when they didn't have cash to pay. Prior to this installation, applicants would be required to go to a local bank to obtain the cash and return to the detachment to complete their application. This addition of a debit machine has proven to be very popular and each month the amount of cash collected by the detachment has decreased.

COMMENTS AND CONSIDERATION

The Provincial Government advised by letter dated June 8, 2020 that they are changing the way security check revenue is collected and disbursed. Fees for security checks are now to be paid directly to the Province to be tracked and allocated to the municipalities quarterly. As a result of this change the POS debit machine at the detachment can no longer be used for security checks as revenue is deposited directly to the municipal account. The detachment is now in a position that staff cannot accept payment for security checks and applicants are being directed to Caledon to make payment.

The second change that will have a significant impact is that the fee collected for the security check (currently \$41.00) will be allocated to the municipality in which the applicant resides. Nottawasaga detachment processes many security check applications for individuals who do not reside within the detachment area.

FINANCIAL CONSIDERATIONS

At some point it will be necessary to look at the feasibility of maintaining the POS equipment as it may not be cost effective when it can only be used for fees other than security checks. If there is a penalty for early cancellation of the contract for the equipment, the cost will be forwarded to the OPP for reimbursement.

These changes will require the Board to approach the municipal partners again to request the revenue be transferred to the Police Services Board reserve when it is received from the Province.

Respectfully submitted;

Nancy Rugman
Secretary

RE: REQUEST FOR PROCLAMATION OF FIERTÉ SIMCOE PRIDE, JULY 27TH AUGUST 9TH

Good Day,

My name is Colin Nelthorpe and I am the Vice Chair of the Board of Directors of Fierté Simcoe Pride (FSP). On behalf of FSP, I am writing to request your participation in and support of Fierté Simcoe Pride 2020.

Fierté Simcoe Pride is a not-for-profit that organizes an annual Pride festival as well as year-round activities for the Lesbian, Gay, Bisexual, Trans, and allied community of Simcoe County. We are asking for participation and leadership from the Township of Essa through proclamation of Fierté Simcoe Pride from July 27th to August 9th, 2020. This recognition would be a valued recognition of the diversity of our community, honouring the lives and contributions of people of all gender and sexual diversities throughout the County. This year's theme "Exist, Persist, Resist" is to highlight the struggles we all face from the COVID-19 pandemic, and that we need community and connection more than ever.

We thank the Township of Essa for the continued support and are eager to welcome you to Fierté Simcoe Pride 2020.

In the spirit of diversity, inclusion and community,
